(Experience Required)

Please answer the following questions:

1. What date can you start working? \_\_\_\_\_
2. What is the latest day you can work? \_\_\_\_\_
3. Will you be available to work Memorial Day Weekend? \_\_\_\_\_
4. Will you be available to work July 4th Weekend? \_\_\_\_\_
5. Will you be available to work Labor Day Weekend? \_\_\_\_\_
6. List any days on a regular basis that you will NOT be able to work due to another job, college courses, etc.
  
7. List any specific dates (not including the ones you've listed above) that you know you will NOT be available to work.

**Thank you for your time. We will contact you if we are interested in setting up an interview. Continued employment for past employees will be offered to those who satisfy job requirements and honor the dates they commit to work.**
